

Client Portal Guide

BAYSIDE DYSPHAGIA DIAGNOSTICS · MOBILE FEES REFERRALS

BDD uses a **secure, HIPAA-compliant Client Portal** to receive FEES referrals and deliver completed evaluation reports. This guide walks facility staff through first-time setup, switching to a patient's portal, and retrieving a patient's report.

1 Open your welcome email

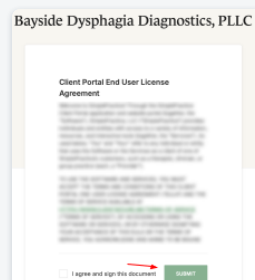

You'll receive an email from Bayside Dysphagia Diagnostics. Click **SIGN IN** to access the portal.

Note The sign-in link is one-time and expires — use it promptly.

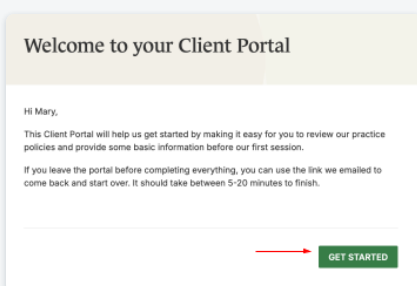

2 Accept the user agreement

Check **"I agree and sign this document"**, then click **SUBMIT**.

3 Get started

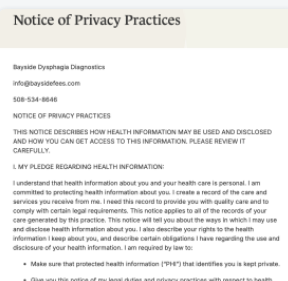

You now have access to your Client Portal. Click **GET STARTED**.

Tip If you leave before finishing, use the emailed link to come back and start over.

4 Agree to Privacy Practices

Review the Notice of Privacy Practices and click **AGREE** at the bottom of the page.

5 Access and complete the FEES Intake form

You'll receive an email when the FEES Intake form is ready. Click **SIGN IN** to open it in your Client Portal, then complete and submit the form.

IMPORTANT: This is an automated message. Please do not reply. For any questions please contact your provider.

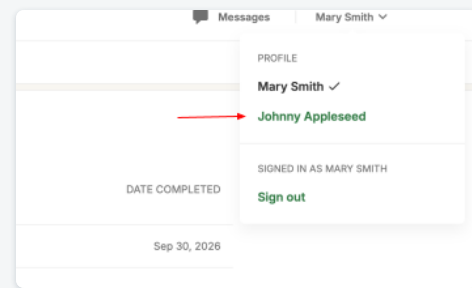

You have a new document from Melanie Reynolds, MS CCC-SLP at Bayside Dysphagia Diagnostics. Sign in to your Client Portal to view it.

SIGN IN

This one-time link will instantly sign you in until 10:06 am (ET) on 10/08/2026.

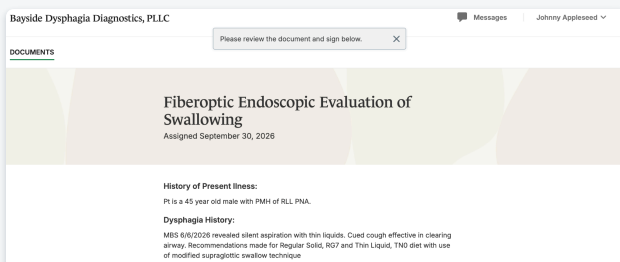

6 Switch to the patient's portal

Once the patient is entered, use the **name pull-down** at the upper right to move between your portal and the patient's.

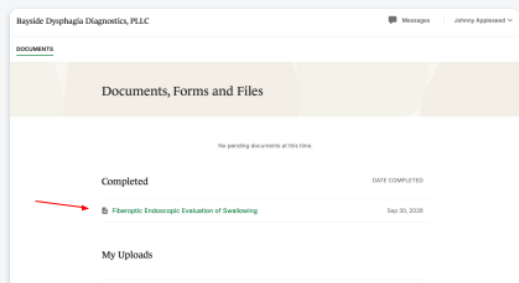

7 Review & e-sign the FEES report

When the evaluation is complete, open the report under the patient's name, **e-sign** it, and download the file.

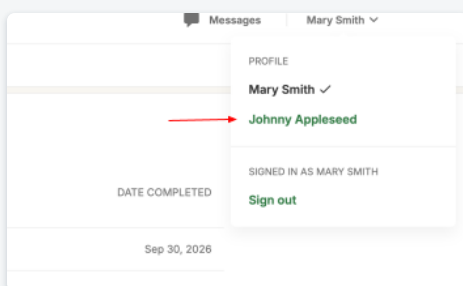

8 Add the report to the medical record

Once signed, the FEES report will be **downloaded to your computer** for you to upload to your patient's medical record.

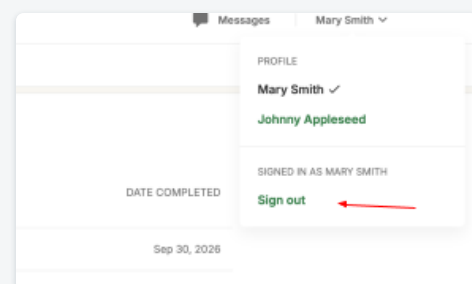

9 Toggle between portals

Use the same upper-right pull-down (as in Step 6) to return to your own portal.

10 Always sign out

Click **Sign out** from the pull-down at the end of every session — especially on shared facility computers.

Questions or trouble signing in?

We're happy to help you get set up.
